

HELP US TURN
\$500,000 INTO
\$1,000,000

Habitat for Humanity NCR just received the largest gift in our history. Marilyn Vavasour from Calgary inherited a house in Qualicum and wanted to make a difference in her hometown. Her dream was to donate the house to a charity. After weeks of discussion she chose Habitat to receive the house and the entire contents.

We are so excited.

A million dollars means we can help house 10 families.

OUR DREAM TEAM WILL TAKE THIS HOUSE FROM OLD AND DRAB TO MODERN AND FABULOUS.
